Re: *Floyd, et al. v. The City of New York, et al.*
Case No.: 08 Civ. 1034 (SAS)

Our office represents Plaintiffs in the above-referenced case. Pursuant to Fed. R. Civ. P. 4(m), Plaintiffs respectfully request an extension of time to serve certain individual Defendants named in the original Complaint. An extension is necessary to permit Plaintiffs to obtain sufficient identifying information from Defendant City of New York to be able to locate and serve these individuals. Currently, the deadline for service of the original Complaint is May 30, 2008.

Plaintiffs have attempted service on Defendant Officers Rodriguez and Goodman, but without their shield numbers, our process server has been unable to locate Officers Rodriguez and Goodman either at the precinct where they were believed to be assigned or in the NYPD's police officer wheel. While counsel for the City indicated last week that they will provide Plaintiffs with sufficient identifying information on Officers Rodriguez, Goodman, and the three Does in the next several weeks, we will not get this information by May 30, 2008, the date on which the 120-day time limit for service of process expires.

Plaintiffs may have an extension of time in which to serve certain individual defendants until such

these additional individuals does not expire until August 13, 2008.

days after the City provides identifying information

Accordingly, Plaintiffs respectfully request to have until 30 days from the date on which counsel for the City provides Plaintiffs with sufficient identifying information on Defendants Rodriguez, Goodman, Jane Doe, and John Does #1 and #2 to effect service on these five individual defendants. Counsel for the City consents to this extension.

Thank you for your time and consideration.

Respectfully submitted,
